Soybean Leaders for Delmarva

3818NRX 3.9 RM RR2X *Top Seller!*

- Attractive gray-tan medium-tall plant
- Very good SDS tolerance
- Bush type plant with prolific branching
- Excellent stress tolerance
- Full season or double crop

4417NRXS 4.4 RM RR2X *Top Seller!*

- Stacked with STS
- Excellent Frogeye tolerance
- Great plant height – tall and stands
- Good Charcoal Rot tolerance along with SDS
- Moderate to very good Root Knot resistance
- Ideal for full season or double crop

4419NRXS 4.4 RM RR2X *New*

- Recommended where full Root Knot protection is needed
- Stacked with STS
- Very good emergence and standability
- Also, carry's Cyst and Phytophthora protection
- Excellent Frogeye protection

4617NRXS 4.6 RM RR2X *Top Seller!*

- STS Stacked
- Excluder and Stem Canker resistant
- Medium-tall and narrow plan that stands
- Excellent Green Stem tolerance
- Widely adapted line for all soils
- Solid performance in OVT trials

4619NRXS 4.6 RM RR2X *New*

- Stacked with STS and it is a salt extender
- Stem Canker resistant with excellent Frogeye
- Tolerant to Metribuzin
- Very good standability

4817NRXS 4.8 RM RR2X

- STS stacked
- Tall and narrow plant that stands
- Excellent Green Stem tolerance
- Excellent to good PRR and emergence
- Strong performance year over year

5016NRXS 5.0 RM RR2X

- Market leader in RM Zone
- Outstanding multi-year performance in VT OVT
- Complete package, RKN, Cyst, Frogeye
- Xtend stacked with SR
- Excellent PRR tolerance with good SDS
- #1 Performer VA Tech OVT trials

LIBERTY LINK

3825NL *New*

- Consistent high-performance year over year
- Excellent emergence with very good standability
- Very good Brown Stem Rot and SDS

4338NL

- Medium tall and medium bush plant
- Strong tolerance to Frogeye, Stem Canker and Charcoal Rot
- Excellent Root Knot Nematode protection

4718NL

- Responds well in high yield environments
- Consistent performance year over year
- Very good SDS and Frogeye tolerance

4746NL

- Solid performance over wide area
- Good protection against Frogeye, Stem Canker & Charcoal Rot
- Cyst protection with moderate Root Knot protection
- Attractive tawny brown
